Oslo, 2015.03.25

Ref.: Roar Dullum
Application nr.: 20130281

Decision - Grant of the patent application 20130281

We have now granted your patent. Attached, please find the Certificate of Registration and Patent Specification. Please make sure to read the important information on the last page.

The due date for opposition is 9 months from the date when your registration is published in the Norwegian Patents Gazette. The Norwegian Patents Gazette is published on a weekly basis on our website www.patentstyret.no. If your patent has been amended (B2, B3)¹ there will not be a new opposition period.

Please do not hesitate to contact us if there are any errors in the registered information, or if you have any questions.

Sincerely,

Kirsti Engen Sturm

Email: publisering@patentstyret.no

¹ Codes on the patent specification: B1 - granted patent, B2 - the patent is amended after an opposition, B3 - the proprietor has limited the extent of the patent.
